

George J. Demakis, Ph. D., ABPP-CN
Department of Psychological Science and Health Psychology
Professor & Licensed Psychologist
Board Certified in Clinical Neuropsychology
University of North Carolina Charlotte
9201 University City Boulevard
Charlotte, NC 28223-0001
704-687-1328/gdemakis@uncc.edu

June 20, 2018

Education

- Ph. D. Virginia Polytechnic Institute and State University, Clinical Psychology
(APA Approved), May 1995
- M. S. Virginia Polytechnic Institute and State University, Psychology, November 1992
- B. S. Loyola University Chicago, 1989. Major: Psychology. Minor: Philosophy

Positions

Assistant Professor (2002), Associate Professor (2005), and Professor (2011), Psychology Department, University of North Carolina Charlotte

Director of Clinical Training, Health Psychology Program, Clinical Track, University of North Carolina Charlotte, July 2006 to June 2012

Assistant Professor (1995) and Associate Professor (2002), Psychology Department, Elmhurst College

Instructor of Psychology (doctoral Clinical Psychology program), Psychology Department, Loyola University Chicago, Summer 2000 and 2002

Post-doctoral Neuropsychology Fellow (part-time), Department of Psychiatry, Evanston Hospital, July 1996 to February 1999

Psychology Intern, Neuropsychology Track, University of Florida, Shands Teaching Hospital, July 1994 to June 1995. APA approved.

Clinical Practice (post-training)

Independent practice, clinical neuropsychology, Charlotte, NC, October 2003 to present

Consultant, forensic and clinical neuropsychology, Mecklenburg County Area Mental Health Authority/MeckLink and Mecklenburg County Courts, Charlotte, NC, December 2003 to present

Director, University of North Carolina Charlotte LD/ADHD clinic, November 2009 to present.

Consultant, clinical neuropsychology, NorthEast Medical Center, Concord, NC October 2003 to December 2004

Independent contractor, clinical neuropsychology, Department of Psychiatry, Evanston Hospital, Evanston, IL, February 1999 to August 2002

Clinical Licensure/Certifications

Board Certified in Clinical Neuropsychology (#3774)
Licensed Psychologist, Health Services Provider (NC # 2862, active)
Licensed Clinical Psychologist (IL # 71005836, inactive)
Certified Forensic Screener Evaluator (NC, active)

Funded Grants/Contracts

Carolina's Medical Center (Takeda Pharmaceuticals). Lead Site Neuropsychologist at CMC Northeast. "A double-blind, randomized, placebo controlled, parallel group study to simultaneously qualify a biomarker for prognosis of developing mild cognitive impairment due to Alzheimer's disease (MCI due to AD) and to test the safety and efficacy of pioglitazone to delay the onset of MCI due AD in cognitively normal subjects." Total funds to UNCC to support doctoral students is \$335,063 over six years.

National Institute of Aging R-15. Consultant. "Cognitive training with adaptive computer games based on brain plasticity theory: Specific and general training effects and their durability". Principal investigators Kristi Multhaupt, Ph. D. and Mark Faust, Ph. D.); my role is as a consultant.

National Multiple Sclerosis Society (\$44,000). Principal Investigator. "Cognitive deficits in nursing home residents with multiple sclerosis". July 2005 to June 2007.

University of North Carolina at Charlotte Faculty Development Grant (\$11,960). Co-Investigator with Amy Peterman. "Meaningful measurement of the impact of multiple sclerosis and its treatment: The Goal Interference Scale" 2006 to 2007.

Carolina's Medical Center Charlotte Rehabilitation Institute (\$37,500 total) with Ryan Kilmer and Jim Cook "Traumatic brain injury model system". Funded by Charlotte-Mecklenburg Hospital Authority. 2003 to 2006.

NorthEast Medical Center Development Association (\$2,400) with Ryan Kilmer. "An examination of patient characteristics and psychological factors among candidates for gastric bypass surgery". 2004.

University of North Carolina at Charlotte Faculty Development Grant (\$6,000). "Psychosocial functioning in traumatic brain injury (TBI): Description of early adaptation and prediction of short-term outcomes." Summer 2003 to Summer 2004.

Elmhurst College Faculty Development Grant (\$3,500) "Malingering: Integration of clinical and academic pursuits". Summer 1999.

Elmhurst College Faculty Development Grant (\$2,500) "Malingering on serial neuropsychological evaluation". Summer 1996.

Symposium Organized

Meta-analytic approaches in neuropsychology (2003, August). Speakers included Scott Millis, Marty Rohling, and Thomas Sawyer. Organized for the annual meeting of the American Psychological Association, Toronto, Ontario.* Participants at this symposium earned continuing education credits (CEUs) from APA.

Invited Talks

- (2016, November). Assessment of civil competency: Best practices and new developments. Aging Life Care Association Southeast Chapter. Charlotte, NC.
- (2016, June). *The TOMORROW study*. Carolina's Medical Center. Department of Neurology case study. Co-presented with Dr. Robert Mitchell. Charlotte, NC
- (2016, June). *Assessment of civil capacity in the elderly*. American Academy of Clinical Neuropsychology annual meeting. Chicago, IL.
- (2016, April). *ADHD and learning disabilities in college students*. Disability Services at UNC Charlotte. Charlotte, NC.
- (2014, April). *Civil competency evaluations in North Carolina*. North Carolina Psychological Association. Charlotte, NC.
- (2013, October). *Neuropsychology's role in incompetency and guardianship evaluations*. National Academy of Neuropsychology 33rd annual meeting. San Diego, CA.
- (2012, November). *Psychological testing in incompetency determinations*. Mecklenburg County Bar Continuing Legal Education. Charlotte, NC
- (2012, March). *Competency evaluations: A psychological perspective*. Psychology Club University of South Carolina-Lancaster. Lancaster, SC.
- (2011, May). *Using the Multidisciplinary Evaluation (MDE) to guide successful guardianships: Basic approaches and lessons learned*. North Carolina Guardianship Association conference. Winston-Salem, NC.
- (2010, May). *Promises and pitfalls of the Multidisciplinary Evaluation*. North Carolina Guardianship Association conference. Asheville, NC.
- (2009, September). *The malingering patient: Clinical and research developments in psychology*. Grand rounds presentation at Carolinas Medical Center Department of Psychiatry. Charlotte, NC.
- (2008, April). *Issues in teaching intelligence to high school students*. AP Alliance Psychology Meeting. University of North Carolina Charlotte.
- (2008, March). *The cognitive and psychological effects of traumatic brain injury*. University of South Carolina-Lancaster Psychology Club and Mental Health American Lancaster County. Lancaster, SC.

- (2007, March). *Assessment of malingering in psychological evaluations*. Internship program at Carolinas Medical Center—Randolph. Charlotte, NC.
- (2006, September). *Learning disabilities in college students*. Counseling Center at University of North Carolina Charlotte.
- (2004, July). *What we know about attention deficit hyperactivity disorder in children*. University area Kiwanis Club, Charlotte, NC.
- (2004, March). *The proposed Ph. D. program in health psychology at University of North Carolina at Charlotte*. Mecklenburg County Psychological Association. Charlotte, NC.
- (2003, September). *How well do psychologists measure frontal lobe functioning: The good, the bad, and the just plain ugly*. UNCC's Psychology Department.
- (2002, July). *A meta-analytic review of the sensitivity of the Wisconsin Card Sorting Test to frontal and lateralized frontal brain damage*. Neuropsychology case conference at Evanston Hospital. Evanston, IL.
- (2002, July). *Psychological perspectives on terror and terrorism*. Elmhurst College Alumni College. Elmhurst, IL.
- (2001, March). *Premorbid personality and poor mild traumatic brain injury (mTBI) outcome: Case examples*. Neuropsychology case conference at Evanston Hospital. Evanston, IL.
- (2000, June). *Discrepancies between predicted and obtained IQ in the detection of insufficient effort*. Neuropsychology case conference at Evanston Hospital. Evanston, IL.
- (1998, January). *Efficacy of the Warrington Recognition Memory Test in the prediction of lesion laterality*. Neuropsychology case conference at Evanston Hospital. Evanston, IL.
- (1997, December). *Neuropsychological correlates of Gulf War Syndrome: A critical review*. December, 1997. Neuropsychology case conference at Evanston Hospital. Evanston, IL.
- (1997, September). *Neuropsychological effects of posteroventral pallidotomy*. Elmhurst College Psychology Department Colloquium series. Elmhurst, IL.
- (1997 and 1996, August). *What is neuropsychology?* Elmhurst College Summer Math and Science Academy. Elmhurst, IL.
- (1997, March). *Test-retest issues and consistency in malingering*. Neuropsychology case conference at Evanston Hospital. Evanston, IL.
- (1997, February). *Neuropsychology effects of posteroventral pallidotomy*. Neuropsychology case conference at Evanston Hospital. Evanston, IL.

(1995, May). *Hypothalamic hamartoma, gestastic seizures, and obsession-compulsive disorder: Possible mechanisms*. Center for Neuropsychological Studies meeting, Gainesville, FL.

Poster Presentations at Professional Meetings

Szczepkowski, K. & Demakis, G. J. (October, 2017). *Does executive functioning predict financial capacity in college students beyond financial literacy, mathematical ability and estimated IQ?* National Academy of Neuropsychology annual meeting. Boston, MA. Poster.

Demakis, G. J., Hammond, F., **Knotts, A.**, Cooper, D., Clement, P., Kennedy, J., & Sawyer, T. (October, 2005). *Personality Assessment Inventory profiles in traumatic brain injury (TBI).* Presented at the annual meeting of the National Academy of Neuropsychology, Tampa, FL.*

Demakis, G. J., Cooper, D., Clement, P., Kennedy, J., Hammond, F., & **Knotts, A.** (October, 2005). *Factor structure of the Personality Assessment Inventory in traumatic brain injury (TBI).* Presented at the annual meeting of the National Academy of Neuropsychology, Tampa, FL.*

Rohling, M. L., & Demakis, G. J. (2005, February). *A meta-analysis of the neuropsychological effect of occupation exposure to mercury.* Presented at the International Neuropsychological Society annual meeting, St. Louis, MO.

Demakis, G. J., & **Hedman, C.** (2004, November). *Actual vs. self-report of academic performance in college students with and without traumatic brain injury: Relationships between effort and neuropsychological testing.* Presented at the National Academy of Neuropsychology, Seattle, WA.*

Kilmer, R. P., Demakis, G. J., Hammond, F., Cook, J., Grattan, K., & **Kornev, A.** (2004, August). *Use of the Neuropsychiatric Inventory in TBI: A pilot investigation.* Presented at the American Psychological Association, Honolulu, Hawaii.

- Demakis, G. J. (2003, August). *Meta-analytic review of the sensitivity of executive processing measures to frontal lobe damage*. Talk presented at the annual meeting of the American Psychological Association, Toronto, Ontario. *
- Demakis, G. J. (2002, August). *A meta-analytic review of the sensitivity of the Wisconsin Card Sorting Test to frontal and lateralized frontal brain damage*. Presented at the annual meeting of the American Psychological Association, Chicago, IL.*
- Demakis, G. J., Sweet, J. J., Sawyer, T. P., Moulthrop, M., Nies, K., & Clingerman, S. (2000, November). *WAIS-R performance and discrepancy between predicted and obtained IQ scores in the detection of insufficient effort*. Presented at the annual meeting of the National Academy of Neuropsychology, Orlando, FL.*
- Demakis, G. J., Sweet, J. J., Moulthrop, M. A., & Clingerman, S. (1999, August). *Wechsler Adult Intelligence Scale-Revised and insufficient effort*. Presented at the annual meeting of the American Psychological Association, Boston, MA.*
- Demakis, G. J., **Fritz, D.** & Sweet, J. J. (1998, November). *Incidental recall of Digit Symbol in Parkinson's Disease and Alzheimer's Disease*. Presented at the annual meeting of the National Academy of Neuropsychology, Washington, DC.*
- Demakis, G. J. (1998, August). *Use of clinical CVLT cutoffs in detecting simulating malingering*. Presented at the annual meeting of the American Psychological Association, San Francisco, CA.*
- Sweet, J. J., & Demakis, G. J. (1997, November). *Absence of laterality and material specific findings on the Warrington Recognition Memory Test*. Presented at the annual meeting of the National Academy of Neuropsychology, Las Vegas, NV.*
- Demakis, G. J., Cihlar, C., & **Walters, M.** (1997, August). *Serial malingering on the California Verbal Learning Test and the Rey Figure*. Presented at the annual meeting of the American Psychological Association conference, Chicago, IL.*
- Mercury, M. G., Sweet, J., Rezak, M., Eller, T. W., Bernstein, L. P., Nenonene, S. M., Vergenz, S. M., & Demakis, G. (1997, August). *Neuropsychological performance subsequent to posteroventral pallidotomy*. Presented at the annual meeting of the American Psychological Association conference, Chicago, IL.*
- Franczek, S., Demakis, G. J., DeBose, C., Fennell, E. B., & Gilmore, R. (1996, September). *Revisited: Left hemisphere dominance for consciousness*. Presented at the annual meeting of the Society for Electroencephalography, Washington, DC.
- Demakis, G. J., Fennell, E. B., Miller, J. M., & Maria, B. (1996, August). *Concomitant compulsive disorder and gelastic epilepsy*. Presented at the 104th annual meeting of the American Psychological Association, Toronto, Ontario.*

- Demakis, G. J. & Harrison, D. W. (1994, November). *Relationships between commonly employed verbal and nonverbal fluency measures*. Presented at the 14th annual meeting of the National Academy of Neuropsychology, Orlando, FL.*
- Demakis, G. J., Herridge, M. L., & Harrison, D. W. (1994, November). *Pathological display of positive affect: A bilateral electrodermal case study*. Presented at the 14th annual meeting of the National Academy of Neuropsychology, Orlando, FL.*
- Demakis, G. J., Harrison, D. W. & **Campen, M.** (1993, June). *Interference effects of emotional and neutral word rehearsal on affect perception*. Presented at the 5th annual meeting of the American Psychological Society, Chicago, IL.
- Demakis, G. J., Harrison, D. W. & Kelly, P. L. (1992, August). *Home blood pressure: A survey of consumer knowledge*. Presented at the 100th annual meeting of the American Psychological Association, Washington D. C.
- Demakis, G. J. & McAdams, D. P. (1992, August). *Personality, social support and well-being among first year college students*. Presented at the 100th annual meeting of the American Psychological Association, Washington, D. C.
- Demakis, G. J., Gorelczenko, P. M. & Harrison, D. W. (1991, June). *Facial affect perception in Type A and Type B men and women*. Presented at the 3rd annual meeting of the American Psychological Society, Washington D. C.
- Aritzi, S., Demakis, J., Demakis, G., Fareed, J., & Lyketsos, G. (1989, October). *Hostile personality characteristics and prostaglandins in essential hypertension*. Presented at the 8th annual meeting of the World Congress of Psychiatry, Athens, Greece.

Media Appearance

(2008, March). Guest on Charlotte Talks (WFAE 90.7) with Mike Collins for a show entitled “Memory and Dementia”

Editorial/Grant-Reviewing Experience

- Grants:
- Reviewer for the Defense Medical Research and Development Program (DMRDP). The panel was entitled “Psychological Health” (Washington DC, December 2009).
 - Reviewer for the Department of Defense Post-Traumatic Stress Disorder and Traumatic Brain Injury Research Program. The panel was entitled “Advanced Technology—Therapeutic Development: Clinical Treatment and Rehabilitation. (Washington DC, January 2008).
 - Reviewer for the Department of Defense Post-Traumatic Stress Disorder and Traumatic Brain Injury Research Program (November 2008)

Reviewer for Ontario Mental Health Foundation (December 2008)

- Editorial Board: *International Psychogeriatrics* (2013-present)
The Clinical Neuropsychologist (2004-present)
Current Psychology (2013-2016)
Psychological Injury and Law: Symptom Validity Testing and Malingering Section (2010- 2017)
Counseling and Clinical Psychology Journal (2007-2012)
Investigations: The Multidisciplinary Journal of Student Scholarship at Elmhurst College (2001-2003)
- Guest editor: Special issue of *The Clinical Neuropsychologist* titled “Meta-analysis in neuropsychology” (published in 1st issue of 2006)
- Special section of the *Archives of Clinical Neuropsychology* titled Civil capacities in clinical neuropsychology (published in the 6th issue of 2016)
- Consulting editor: American Psychological Association’s revision of Longman’s Dictionary of Psychology neurological disorders/brain damage and neurological diagnosis/treatment entries
- External reviewer: American Academy of Clinical Neuropsychology Consensus Conference Statement on the Neuropsychological Assessment of Effort, Response Bias, and Malingering. Heilbronner, R. L., Sweet, J. J., Morgan, J. E., Larrabee, G. J., Millis, S, & Conference Participants.
- Ad hoc reviewer: *Neuropsychology Review, Psychiatry Research, PLOS ONE, International Journal of Law and Psychiatry, BMJ Open, International Psychogeriatrics, Journal of Occupational Rehabilitation, Applied Neuropsychology Adult; Applied Neuropsychology Child; The Clinical Neuropsychologist; Neuropsychology; Journal of Clinical and Experimental Neuropsychology; Archives of Clinical Neuropsychology; Psychology of Men and Masculinity; Journal of Anxiety Disorders; Psychology of Violence; Psychological Injury and Law; Disability & Rehabilitation; Human Psychopharmacology: Clinical and Experimental; Journal of Health and Human Services Administration; Law and Human Behavior; Brain and Language; Brain and Cognition; Journal of Clinical Psychology in Medical Settings; Journal of Clinical Psychology; Journal of Applied Gerontology; North American Journal of Psychology; Journal of Credibility Assessment and Witness Psychology (on-line); Psi Chi: Journal of Undergraduate Research; Journal of Undergraduate Research (UNCC). Multiple textbook chapters for Worth Publishing.*
- External reviewer for candidates at: Cleveland Clinic, University of Toronto, University of California San Diego Medical School, Northwestern University Feinberg School of Medicine, University of Cincinnati Medical School, Wake Forest University Medical School.

Supervised Student Research

<i>Student</i>	<i>Title of Project</i>	<i>Yr. Completed</i>
E. Quickel	What information matters? Using policy capturing to understand legal and psychological decisions about civil competency (Dissertation)	2015
C. Solesbee	Assessing and predicting financial capacity and literacy in college Students (Undergraduate Honors Thesis)	2014
E. Quickel	Competency decision-making(Comprehensive Exam)	2012
C. Rimland	IQ and malingering (Undergraduate Honors Thesis)	2012
A. Bickett	Educating prison guards about TBI (Comprehensive Exam)	2010
K. Fitzgerald	Multiple sclerosis and depression in the Minimum Data Set (MA thesis)	2010
A. Bickett	Caregiver depression in traumatic brain injury (2 nd yr. project)	2009
N. Ravishankar	Symptom attribution of headache in college students (MA thesis)	2008
C. Hedman	Traumatic brain injury in college students (MA thesis)	2004

I have/am currently serving on the following students' thesis or dissertation committees: Psychology (undergraduate), Clinical Community Psychology (masters), or Health Psychology (doctoral) assumed unless noted):

M. Griffith, K. Pettus (Nursing), M. Heeney (General Psychology), E. O'Reilly (Educational Leadership), H. Lainas (Counseling), M. Crabtree, C. Lindstrom, S. Bluma, S. Levons, J. Eyer, J. Dykstra, T. Bohannon, K. Visker, J. Buckley, J. Gambrell, J. Thornton, H. Bixby, C. Clyne, T. VanderGast (Counseling), Priscilla Graham (Educational Leadership).

Teaching Experience

2002—Present *University of North Carolina Charlotte*
Undergraduate: General Psychology, Research Methodology, Neuropsychology, Senior Seminar in Human Behavior and Adaption (Clinical Neuropsychology), Topics in Psychology/Gerontology (Dementia).
Graduate: Topics in Treatment (Cognitive Rehabilitation), Intellectual Assessment, Personality Assessment, Practicum in Clinical Psychology, Ethics and Professional Issues in Psychology (co-instructor).

- 1995—2002 *Elmhurst College* (all undergraduate): General Psychology, Lifespan Development, Child Development, Current Applications in Psychology: Clinical Neuropsychology, Research Methods in Psychology, Applied Social Science Research, Needs Assessment, Survey Design, and Program Evaluation, Project Design in the Human Services.
- Summer 2002 *Loyola University Chicago*: Clinical Neuropsychological Assessment in the clinical psychology Ph. D. program
- Summer 2000 *Loyola University Chicago*: Clinical Neuropsychology in the clinical psychology Ph. D. program

Teaching Honors

- Fall 2003 Moore Hall's Most Wanted (UNCC)
 Fall 2000 Certificate of Appreciation awarded by Sigma Kappa Sorority (Elmhurst College)

State/National Service

- 2007—2009 North Carolina Psychological Association's Education Leading to Licensure Task Force
- 2009—2010 Council of University Directors of Clinical Psychology (CUDCP) Task Force to Develop Competencies for Internship Readiness

Department and Campus-wide Service (UNCC only)

- 2016—2017 Executive Department Review Committee
 2014—2015 Departmental workload committee
 2014 Search Committee Director Disability Services
 2013-2014 College Faculty Council secretary
 2012-2014 College Faculty Council representative
 2012 Chair, Comprehensive Department Chair Review Committee
 2012-2013 Chair, Executive Department Review Committee
 2011-2013 Executive Department Review Committee
 2010-2011 CLAS Dean's Graduate Assistant Taskforce
 2010 Subcommittee of Faculty Academic Planning and Budget Committee that reviewed ITS and Graduate School
- 2009—present Director, UNCC LD/ADHD clinic
 2008-2009 Search Committee, Staff Psychologist at Counseling Center
 2008 Disability Advisory Committee
 2007 Departmental Chair Review Committee
 2007-2008 Promotion and Tenure Criteria Committee
 2006 Spring University Faculty Council representative
 2006—2012 University Faculty Council alternate representative
 2006—2012 Chair, Selection Committee, Clinical Track of Health Psychology

2005—2012	Advisory Committee for the Health Psychology Program
2004—2006	Advisory Committee, Department of Psychology
2003—2004	Chair, Search Committee, Associate Professor, Health Psychology
2003—2012	Search Committee Clinical-Community Psychology
2004	Homecoming Selection Committee
2004, 2007	Master's Comprehensive Examination Committee
2003 Summer	Student Orientation, Advising, Registration (SOAR) volunteer
2003	Master's Comprehensive Examination "re-take" grader
2003—2005	Psychology Department bylaws committee
2002—2004	Psychology Club and Psi Chi co-advisor
2002—2004	Psychology Department Faculty Development Committee
2002—2003	Psychology Department recorder

Memberships

American Psychological Association, National Academy of Neuropsychology, North Carolina Psychological Association, International Psychogeriatric Association.
