

Curriculum Vitae

Name : Thomas A. Sporn, M.D.
Title: Associate Professor of Pathology
Co-Head: Pulmonary and Thoracic Pathology

Address: Department of Pathology
Box 3712
Davison Building, 327A
Duke University Medical Center
Durham, North Carolina 27710

Tel: (919) 684-3056
Fax: (919) 681-1658
E-mail: sporn001@mc.duke.edu

Personal

Date and Place of Birth: 22 November 1957, Rochester New York
Citizen: United States of America

Education:

1976 High School	Sidwell Friends School, Washington DC
1982 BA	University of Vermont, Burlington B.A. Zoology/German
1986 MD	Georgetown University School of Medicine, Washington DC

Professional Training:

Internship, Residencies & Assistantships:

1986-1987 Internship in Medicine, Berkshire Medical Center, Pittsfield, Massachusetts

1987-1989 Resident, Department of Medicine, Georgetown University Hospital, Washington, DC

1993-1994, 1995-1997 Resident, Anatomic Pathology, Duke University Medical Center, Durham, North Carolina, Chief Resident 1996-1997

Fellowships:

1989-1992 Fellow, Pulmonary Diseases and Critical Care Medicine, Georgetown University Hospital, Washington DC

1994-1995 Fellow, Forensic Pathology and Assistant Chief Medical Examiner, North Carolina Office of the Chief Medical Examiner, Chapel Hill, North Carolina

1997-1998 Fellow, Pulmonary Pathology (Victor Roggli, Mentor)
Duke University Medical Center, Durham, North Carolina

Clinical & Academic Career:

University Appointments:

1998- Assistant Professor of Pathology, Duke University
2008- Associate Professor of Pathology, Duke University, with tenure

Hospital Appointments:

1998- Pathologist, Duke University Medical Center

Licensure & Certifications:

Medical Licenses: North Carolina 52795

Board Certifications:

American Board of Internal Medicine 1989
American Board of Pathology, Anatomic Pathology/Forensic Pathology 2000

Organizations & Participation and Other Professional Positions:

1. Panelist, National Non-Small Cell Lung Cancer Panel, National Comprehensive Cancer Center Network
2. Pulmonary Pathology Society Member (1998), member of Awards Committee
3. United-States Canadian Academy of Pathology

Teaching Responsibilities

1. Duke University School of Medicine: Body and Disease 1, Pathology 305
2. Duke University Medical Center Department of Pathology

Daily didactic sessions with residents at microscope during sign out Monday Morning Surgical Pathology Unknown Conference
Surgical pathology lecture series/resident didactic curriculum: Pleuropulmonary Neoplasia, Pathology of interstitial and occupational lung diseases
3. Duke University Medical Center Pulmonary and Critical Care Division
Fellows conferences and Pulmonary Medicine Board review

Teaching/Speaker Experience: National & International

1. Sporn, T.A., Roggli, V.L.: Calretinin Monoclonal Antibody: Comparison with ultrastructure and other immunohistochemical techniques. Ultrapath IX Society for Ultrastructural Pathology, Asheville, NC, August 1998.
2. Sporn, T.A., Roggli VL, Pratt PC: Pathology of the Adult Respiratory Distress Syndrome. Pulmonary Pathology Society Companion Meeting VVII International Congress of the International Academy of Pathology, Nice, France, October 1998.
3. Sporn, T.A. Pulmonary Involvement with Anaplastic Large Cell Lymphoma Pulmonary. Pulmonary Pathology Specialty Conference, United States and Canadian Academy of Pathology, San Francisco, CA, March 1999.
4. Sporn, T.A., Butnor, K. J., Roggli, V.L. Malignant Vascular Tumors of the Pleura, Pulmonary Pathology Society Annual Meeting, August 1999, Asheville, NC.
5. Sporn TA, Butnor KJ, Vollmer RT, Roggli VL: Tremolite and mesothelioma. Inhaled Particles IX , British Occupational Hygiene Society, Cambridge UK, September 2001
6. Sporn TA, Butnor KJ, Roggli VL. Epithelioid hemangioendothelioma of the pleura. International Academy of Pathology XXIVth International Congress, Amsterdam NL, October 2002
7. Sporn TA. Pathology of Pleural tumors. Toyama City Hospital, Toyama Prefecture, Japan, October 2003
8. Sporn T.A. Viral Pneumonias: Infectious Diseases Specialty Conference, United States and Canadian Academy of Pathology Annual Conference, San Antonio Texas, March 2005
9. Sporn TA Applications of Microprobe Analysis in Pulmonary Pathology, 63rd Annual Meeting of Microscopy Society of America, Honolulu HI, August 2005
10. Sporn TA: Analytic Electron Microscopy: Techniques and utilization in the diagnosis of occupational lung disease and pneumoconiosis. Electron Microscopy Working Group, European Congress of Pathology, Paris, August 2005
11. Sporn TA: Pathology of Human Parainfluenza Virus Infection. 64th Annual Meeting of the Microscopy Society of America Chicago, IL July 2006
12. . Sporn TA: Epithelioid Hemangioendothelioma, Short Course on Pleural Tumors. International Academy of Pathology XXVI Annual Congress, Montreal Canada September 2006

Local

1. Sporn TA: Pathology of Pleural Tumors Cardiothoracic Surgery Grand Rounds, Duke University Medical Center, November 2002
2. Sporn TA: Pulmonary Vasculitides Rheumatology Grand Rounds Duke University Medical Center, February 2005
3. Sporn TA: Pleural neoplasms, Hematology-Oncology Grand Rounds, Duke University Medical Center, February 2006,
4. Sporn, TA Peritoneal mesothelioma, Hematology-Oncology Grand Rounds Duke University Medical Center May, 2008

Keynote Speaker:

1. Pathology of Asbestos related Lung Disease, North Carolina Society of Pathologists Annual Meeting, Greensboro, October 2005

Duke Medical School Courses:

Body and Disease I: Pathology of Neoplastic/Non Neoplastic Lung Diseases lectures and demonstration series, clinicopathologic correlative conferences

Other Duke Conferences

1. Weekly Multidisciplinary Chest Conference
2. Weekly Thoracic Oncology Program Conference
3. Weekly Interstitial Lung Diseases Clinic Patient Care Conference

Principal Clinical & Hospital Service Responsibilities:

Chief Pathologist, Thoracic Oncology Program Duke Comprehensive Cancer Center
Co- Head, Department of Pathology, thoracic pathology section, division of surgical pathology
Chief Pathologist, Duke University Medical Center Interstitial Lung Disease Clinic

Grant & Contract Support

1. **NHLBI 5UO1 CA9612302** PI Kelley M/ **Sporn TA** coI(5%) Total Direct \$454,498 Phase I/II Trial
of ZD1839 and Celecoxib in ex-smokers
2. NIH/NCI 1UO1-CA-96123-03 PI Kelley M/ Sporn TA CoI (5%- \$1825) Phase I study of Gefinitinib (IRESSA) and celecoxib in former smokers with advanced, previously treated non-small cell lung ca

Research Interests:

Pathology of interstitial lung disease, pneumoconioses/asbestos-associated lung disease, cancers of the lung, pleura and mediastinum.
