

Balance Serial Number:

Date: _____ Initials: _____ Weights used (S/N): _____	Low reference standard bracketing weight of items of interest Weight used (grams): _____ Weight measured (grams): _____ >0.01 gram: Within 3% of target weight? Yes _____ No _____ N/A _____ ≤0.01 gram: With 10% of target weight? Yes _____ No _____ N/A _____	High reference standard bracketing weight of items of interest Weight used (grams): _____ Weight measured (grams): _____ >0.01 gram: Within 3% of target weight? Yes _____ No _____ N/A _____ ≤0.01 gram: With 10% of target weight? Yes _____ No _____ N/A _____
