[AFTE Training Manual Assignments and Practical Exercises](#)

[an error occurred while processing this directive] Below you will find links to the AFTE Training Manual Assignments and Practical Exercises referenced to in the AFTE Training Manual. Also provided are the answers to the Practical Exercises.

These files are intended to be used by designated Training Officers within your section/department and a password is required for downloading. Passwords can be obtained from John Ward. John can be contacted via email at JWard@dfs.state.va.us or by phone at 757-683-8327 Ext:1402.

Once you obtain a password, these documents can be downloaded for viewing, printing, and editing to meet your department's needs.

You must have **MS Word** or **Corel's WordPerfect** to view/edit the Assignments and Practical Exercises. A free Word Document Viewer application can be downloaded by following the link also provided below.

These files are compressed into self-extracting executable files. Download the files below to your PC and then double-click the files to extract the individual assignments and practicals.

Also included are the executables contained in a zip file, just in case your server prevents the downloading of .exe type files.
