- 2020-Present** Co-Chair of Continuing Education, American Academy of Forensic Psychology
- 2013-2019** American Board of Forensic Psychology, Board of Directors - (President 2019)

CLINICAL EXPERIENCE

08/2016 – Present M. L. Reardon, LLC

Independent Practice

8374 Six Forks Road, Suite 201, Raleigh, NC 27615

Mail To: 13200 Strickland Rd., Suite 114-331, Raleigh, NC 27613

08/2016 – 10/2017 Contracted Part-Time thru Harbin & Associates, Fayetteville, NC 28305

Comprehensive psychological evaluation services, with specialized expertise in forensic assessment of adults and juveniles(e.g., capacity, criminal responsibility, sentencing/mitigation/transfer, risk of violence/sex offense recidivism, disability, guardianship, security screening, fitness-for-duty, personal injury, parental stability). Evidenced-based psychotherapy of older adolescents and adults, specializing in the treatment of personality disorders, mood disorders, anxiety disorders, post-traumatic stress disorders, and comorbid substance use disorders.

12/2013-08/2016 Deputy Chief Psychologist**Federal Correctional Complex, Old NC Highway 75, Butner NC 27509**

Management of multiple functions within the Psychology Services Department, including administrative oversight of up to twelve doctoral-level forensic psychologists and one psychology technician as well as supervision of (1) court-ordered forensic evaluation services for over 100 pre-trial detainees (2) the development of a therapeutic treatment program and provision of services for over 100 civilly committed forensic patients, (3) behavioral health services for medically compromised inmates (4) intake screenings, crisis management, and psychotherapy services for sentenced inmates, (5) and suicide prevention programs. Other responsibilities involved collaboration with correctional services, medical, and nursing staff to manage mental health restricted housing units; participation in monthly Department Head and Leadership meetings; and, serving as Acting Complex Chief Psychologist and Institution Duty Officer. Also developed an online Operations Reference Manual for psychology staff, including hyperlinks to routine policies and procedures, standard forms, legal statutes, and reference documents. Co-developed FCC Butner Complex Supplements for Suicide Prevention as well as Seclusion and Restraints, which included negotiation with three Local Unions. Served as Reviewer in Charge (RIC) for Psychology Services Operational Review for complex of five correctional institutions in 2015. Provided supervision and seminar trainings for pre-doctoral psychology interns as well as annual and semi-annual refresher staff training on topics of suicide prevention, EAP, and PREA/sexual abuse prevention. Other training initiatives have included coordination of APA continuing education workshops to fulfill license requirements for psychologists across the complex and in the local community on forensic topics, as well as regular "lunch and learn" multi-disciplinary forensic case conferences.

12/2006-12/2013 Forensic Psychologist**Federal Correctional Complex, Federal Medical Center**

Old NC Highway 75, Butner, NC 27509

Primary duties are to perform comprehensive forensic evaluations of pre-trial/pre-sentenced detainees and civilly committed psychiatric inpatients on issues of competency, responsibility, and violence risk, as well as to provide expert testimony when needed. Collateral responsibilities include(d): psychological assessment and treatment of pre-trial, pre-sentenced, and sentenced inmates; intake mental health assessment of sentenced inmates; supervision and seminar trainings for pre-doctoral psychology interns; annual and semi-annual refresher staff training on topics of suicide prevention, EAP, PREA/sexual abuse prevention, and communication skills; planning and implementation of quarterly mock suicide drills; Crisis Support Team; member of BUX Institution Review Board; as well as training, implementation, and monitoring of an inmate suicide watch program. Other notable projects have included development of a treatment planning system, an institutional violence alert form for custodial staff, an on-line suicide prevention training program, and the coordination of multidisciplinary continuing education training on the DSM-5.

12/2005-12/2006 Contract Psychologist (10-20 hours weekly)**North Carolina Correctional Institution for Women (NCCIW) and Raleigh Correctional Center for Women (RCCW), 1034 Bragg Street, Raleigh, NC 27610**

Contracted to conduct individual and group psychotherapy for incarcerated females (est. 90% time) at two correctional institutions as well as brief mental health assessments to determine need for psychiatry services (est. 5% time). In addition to treatment selection and implementation, duties involve the administrative management of an active caseload of approximately 50 inmates across the two institutions. As the only mental health provider at RCCW, additional responsibilities include identifying new transfers in need of services to ensure they are seen at least monthly and to monitor for treatment compliance.

11/2005-12/2006 Forensic Psychologist

Dorothea Dix Hospital, 820 South Boylan Avenue, Raleigh, NC 27699
(Currently Central Regional Hospital in Butner, North Carolina)

Contracted to perform comprehensive forensic evaluations of adult and juvenile defendants (est. 90% time) and to provide expert testimony when requested. Other clinical responsibilities include co-facilitation and co-development of psychoeducational group interventions, individual competency restoration training, and supervision of forensic evaluations conducted by a pre-doctoral psychology intern. Administrative tasks have included assistance with pre-doctoral internship selection, utilization review committee, and attendance in monthly psychology management meetings.

SUPERVISED CLINICAL EXPERIENCE**09/2004-08/2005 Post-Doctoral Fellow in Forensic Psychology**

Dorothea Dix Hospital, 820 South Boylan Avenue, Raleigh, NC 27699
Supervisor: Mark Hazelrigg, Ph.D., ABPP; LaVonne Fox, Psy.D.

Duties involved psychological assessments (est. 10% time) and comprehensive forensic evaluations of adult and juvenile defendants (est. 80% time). Additional responsibilities included individual competency restoration training as well as supervision of forensic evaluations conducted by a pre-doctoral psychology intern. Specialized training in relevant psycholegal issues and expert testimony was also involved.

9/2003-08/2004 Clinical Psychology Intern (APA Approved)

Department of Psychiatry, University of North Carolina (UNC), Chapel Hill, NC
Federal Correctional Complex, Butner, NC
Program Coordinator: Edw. "Rhett" Landis, Ph.D., ABPP

09/2003-08/2004 Major Rotation

Federal Medical Center, Forensic Evaluation Services (20hrs/wk)
Supervisor: Edw. "Rhett" Landis, Ph.D., ABPP

Primary duties were to perform comprehensive forensic evaluations of pre-trial and pre-sentenced detainees. Case findings were presented to a multidisciplinary team and summarized in reports submitted to United States federal courts (est. 80% time). Additional responsibilities included preparation of behavior plan reports, participation in risk assessment panels, and psychological testing. Specialized training in relevant psycholegal issues and expert testimony was also involved.

09/2003-08/2004 Minor Rotations:

Center for Development and Learning, Forensic Consultation and Research (2-4hrs/wk)
Supervisor: J. Gregory Olley, Ph.D.

Clinical duties involved review of archival, collateral, and clinical data collected from inmates appealing a death penalty conviction.

09/2003-12/2003 UNC Hospitals, Crisis Emergency Services (8hrs/wk)

Supervisor: Julie McIntyre, LCSW

As part of a multidisciplinary team, duties included intake assessment, crisis intervention, and disposition planning for persons presenting for evaluation at the emergency room or walk-in clinic, as well as responding to telephone calls concerning psychiatric emergencies.

01/2004-04/2004 *Dorothea Dix Hospital, Forensic Treatment Program (8-10hrs/wk)*

Supervisor: David Hattem, Ph.D.

Primary responsibilities involved psychodiagnostic assessments of pre-trial inpatients to assist in forensic evaluation (est. 90% time) and a forensic re-evaluation of an individual committed to the hospital as incapable of proceeding to trial (est. 5% time). Experience also included weekly attendance at multidisciplinary forensic case conferences (est. 5% time).

UNC Hospitals, Family Therapy Team (4hrs/wk)

Supervisor: Elisabeth Scott, LCSW

As part of a multidisciplinary outpatient treatment team, duties involved observation and co-counseling of family clients.

05/2004-08/2004 *UNC Hospitals, Forensic Psychiatry Service (8-10hrs/wk)*

Supervisor: Helen Brantley, Ph.D.

As part of a multidisciplinary team, conducted interviews and administered psychological testing to adults as part of court-ordered parental custody/competency evaluations (est. 75% time), and assisted in preparation of evaluation reports submitted to the court (est. 25% time).

UNC Hospitals, Heart & Lung Transplant Team (2-4hrs/wk)

Supervisor: Eileen J. Burker, Ph.D.

Duties involved inpatient and outpatient evaluations of transplant candidates and follow-up counseling of post heart and post-lung transplant patients.

UNC Hospitals, Eating Disorders Inpatient Unit (4hrs/wk)

Supervisor: Maureen Dymek, Ph.D.

Co-led a cognitive-behavioral therapy group and provided individual therapy services for the inpatient and day-treatment eating disorder programs.

08/2000-06/2003 **Florida State University Crisis Management Unit**, Tallahassee, FL

Supervisor: Joyce Carbonell, Ph.D.

Weekly hours variable

Responsibilities involved assisting with psychiatric emergencies brought to the attention of the FSU Police Department. "On-call" tasks included crisis screening and intervention, referral to community agencies, and/or transportation to inpatient facility for stabilization.

08/2001-12/2002 **Southwestern State Hospital**, Thomasville, GA

Supervisor: G. Leonard Bailey, Ph.D.

20 hours weekly

Primary responsibilities involved travel to county jails to conduct competency, criminal responsibility, or sentencing evaluations (est. 80% time). Court-ordered follow-up evaluations were also conducted with inpatients adjudicated incompetent to stand trial (est. 10% time). Case findings were summarized in reports to the Georgia Superior/State Courts. Additional duties included acute-care inpatient counseling and psychological assessments as well as various administrative tasks.

08/2000-08/2001 **Assistant Director/Senior Therapist**

Florida State University Psychology Clinic, Tallahassee, FL

Supervisor: Thomas Joiner, Ph.D. (850) 644-3006

20 hours weekly

Primary responsibilities involved the administrative management of this outpatient clinic, as well as providing procedural and clinical assistance to up to seventeen junior therapists in training. Tasks included maintenance of a log of outpatients and applicants to clinic, case assignment and/or referral to community agencies, serving as liaison between therapists, director, and community agencies, as well as performance and supervision of intake screening interviews. Duties also involved preparation for weekly staffing meetings, which entailed presentation and discussion of relevant clinical or procedural material and/or arranging for professional speakers. Self-initiated undertakings included the development and maintenance of a client database for use in department research projects, a computerized client tracking system, and a procedures manual for the duties of the assistant director.

08/1998-08/2001 **Florida State University Psychology Clinic**, Tallahassee, FL (850) 644-3006

Supervisors: Thomas Joiner, Ph.D. (98-99); Donald Kerr, Ph.D. (99-00); Natalie Sachs-Ericsson Ph.D.(00-01), and Ellen Berler, Ph.D (00-01)

10-20 hours weekly

Responsibilities involved psychotherapy (est. 90% time) and comprehensive psychological assessment (est. 10% time) of adults, adolescents, and children. Additional experiences included the co-development and co-leadership of a process-focused group for persons with Axis II disorders or significant interpersonal deficits. Client fees for service supplemented income associated with Assistant Director appointment.

01/2000-08/2000 **Easter Seals of Tallahassee**, Tallahassee, FL

Supervisors: Ellen Berler, Ph.D. and Joyce Carbonell, Ph.D. (850) 644-2040

10 hours weekly

Duties involved comprehensive assessment, diagnosis, and development of occupational and treatment recommendations for adults with physical, emotional, or developmental disabilities seeking vocational re-training or social security benefits.

09/1999-08/2000 **Florida State Hospital – Forensic Unit**, Chattahoochee, FL

Supervisors: Ron Klein, Ph.D. (*deceased*); Leslie Dellenbarger, Psy.D. (850) 663-7807

10 hours weekly

Responsibilities included individual counseling, personality/intellectual assessment (est. 10% time), and competency education for female forensic inpatients, as well as observation and performance of follow-up forensic evaluations of inpatients found incompetent to proceed to trial (est. 10% time). Self-initiated projects included the development and implementation of a competency-restoration group for defendants with psychiatric disorders and mental retardation, as well as an eight-week substance abuse program emphasizing psychoeducation and relapse prevention.

- 08/1998-08/1999 **Florida State University Adult Learning Evaluation Center**, Tallahassee, FL
 Supervisor: Jack May, III, Ph.D. (850) 644-3611
 10 hours weekly
 Primary responsibility was assessment of learning disorders in adults, each involving administration and interpretation of a battery of intellectual, achievement, and cognitive measures, which were summarized in integrated reports with treatment recommendations.
- 05/1996-05/1997 **Central Intake Assessment Coordinator**
Liberty Behavioral Management, White Plains, NY
 Supervisor: Jerry Stybursky, CSW, CAC, NCAC, CEAP
 40 hours weekly (summer)/variable hours academic year
 Duties involved diagnostic assessment and triage to a network of substance rehabilitation centers or psychiatric hospitals, as well as pre-certification of inpatient treatment with managed-care insurance providers. Self-initiated projects included the development of an intake policies and procedures manual.
- 06/1994-05/1996 **Admissions Assistant**
Arms Acres, Carmel, NY (845) 225-3400
 Supervisor: Jerry Stybursky, CSW, CAC, NCAC, CEAP
 40 hours weekly (summer)/variable hours academic year
 Duties involved the facilitation of inpatient admissions to the primary care detoxification unit of this substance rehabilitation center.

SCHOLARLY / CLINICAL CONSULTATION EXPERIENCE

- 07/2019-12/2019 **Program Evaluation Team Consultant** (Paid)
 Wisconsin Department of Health Services, Mauston, WI
 Served on a panel of experts tasked with reviewing assessment-related policies, processes, and procedures of the Sand Ridge Treatment Center, Sexually Violent Persons Program, in order to provide guidance and recommendations to ensure work products and policies adhere to statutory mandates, ethical standards, and best practice guidelines.
- 05/2001 – 08/2001 **Presentation Consultant** (unpaid, 40 hours)
 Department of Psychology, Florida State University, Tallahassee, FL
 Assisted in the development of presentation entitled “The Competency of Criminal Defendants” given by James Meyer, Ph.D., J.D. in Fort Myers, FL 2001.
- 06/2000 -11/2000 **Statistics/Presentation Consultant** (paid, 45 hours)
 Florida Psychological Association, Tallahassee, FL
 Involved data entry and basic statistical analysis of a practice and income survey completed by FPA members, as well as preparation of an executive summary and presentation materials for professional conference given by Josh Gross, Psy.D.
- 08/1999-02/2000 **Editing Consultant** (paid by chapter, 30 hours)
 Department of Psychology, Florida State University, Tallahassee, FL
 Provided detailed editing suggestions in preparation of Kerr, D.R. (2000). *Becoming a therapist: A workbook for personal exploration*. Illinois: Waveland Press.
- 04/1999-08/2000 **Statistics/Presentation Consultant** (paid, 50 hours)
 Health South Rehabilitation Center, Tallahassee, FL
 Duties involved statistical analysis of data involving cases of traumatic brain injury and preparation of professional conference presentation for Polly Caskie, Ph.D. (*deceased*)

RESEARCH LABORATORY EXPERIENCE**08/1997-08/2004 Masters/Doctoral Research, Alcohol Studies Laboratory**

Department of Psychology, Florida State University, Tallahassee, FL 32306
Major Professor: Alan R. Lang, Ph.D.

Dissertation: *Prediction of comorbid alcohol use disorders in schizophrenia using symptom components derived from the Positive and Negative Syndrome Scale*. Interview and archival data were collected from hospitalized psychiatric inpatients to investigate the mechanisms underlying the frequent comorbidity of schizophrenia and alcohol use disorders.

Master's Thesis: *The influence of extraversion on the role of operant learning in the augmentation of acute alcohol tolerance*. This experimental alcohol-challenge study was designed to investigate personality differences in acute behavioral alcohol tolerance.

Additional laboratory duties included weekly team discussions of journal manuscripts and NIH/NIAAA grant applications submitted for peer review, as well as to assist in the development of research projects for graduate student colleagues. Studies involved psychosocial aspects of alcohol use and their underlying brain processes.

01/1996-12/1996 Honors Research, Neuropsychopharmacology Laboratory

Department of Psychology, University of Connecticut, Storrs, CT 06269
Professor Directing Thesis: J.D. Salamone, Ph.D.

Honors Thesis: *Effects of thioridazine on lever pressing and tacrine-induced vacuous jaw movements: Clinical implications for the treatment of schizophrenia*. This research project utilized an animal model to evaluate the effects of thioridazine on extrapyramidal symptoms.

09/1995-12/1995 Research Assistant, Neuropsychopharmacology Laboratory

Department of Psychology, University of Connecticut, Storrs, CT 06269
Supervisor: J.D. Salamone, Ph.D.

Duties included animal maintenance (rats) and observations of ongoing research.

UNIVERSITY TEACHING EXPERIENCE**2017-Present Adjunct Faculty, St. John's University - Post Doctoral Forensic Certificate Program****2017 Adjunct Faculty, Chicago School of Professional Psychology**

On-line 8-week course in Ethics for Masters Level Counseling Psychology students.

01/2003 – 04/2003 Laboratory Teaching Assistant

01/2000 – 05/2000 Department of Psychology, Florida State University, Tallahassee, FL
Supervisors: John Kline, Ph.D.; Marten Sheffers, Ph.D.

This laboratory undergraduate course provided an introduction to the concepts and methods of psychology experimentation by running simple studies, analyzing data, and interpreting results.

01/2003 – 04/2003 Teaching Assistant

Department of Psychology, Florida State University, Tallahassee, FL
Supervisor: Ellen Berler, Ph.D. Joyce Carbonell, Ph.D.

This introductory graduate course offered an introduction to, and practice with, administration and interpretation of the Wechsler intelligence scales and the MMPI-2.
