

Peter J. Duquette, Ph.D.

Campus Box 7200
Chapel Hill, North Carolina 27599

Phone: 984-974-9747
Email: pete_duquette@med.unc.edu

Education

University of North Carolina (Chapel Hill, NC) 2002 – 2007
Ph.D., School Psychology (degree conferred in May 2008)
APA accredited training program

Wake Forest University (Winston-Salem, NC) 1998 – 2002
B.A. with honors, Psychology; Minor, Neuroscience

Clinical Training

Children's National Medical Center (Rockville, MD) 2007 – 2009
Division of Pediatric Neuropsychology
Postdoctoral Fellow

Texas Children's Hospital (Houston, TX) 2006 – 2007
Learning Support Center for Child Psychology
Predoctoral Intern

Professional Experience

University of North Carolina at Chapel Hill 2014 – present
Clinical Assistant Professor, Pediatric Neuropsychologist
Appointments in Physical Medicine & Rehabilitation, Psychiatry and Education

Cornerstone Behavioral Medicine (High Point, NC) 2009 – 2014
Licensed Psychologist (NC License #3865)

Teaching

Instructor, EDUC 763 (Biological Bases of Childhood Exceptionality) Fall 2015 – Fall 2017
University of North Carolina at Chapel Hill, School of Education

Professional Service

North Carolina Department of Public Instruction (DPI) Traumatic Brain Injury supervisor (2017-present)
Children and Youth Committee of the North Carolina Brain Injury Advisory Council (2017-present)
Consultant / Team Neuropsychologist to Carolina Hurricanes of the NHL (2015 – present)
North Carolina Psychological Association (NCPA) (2010 – present)
NCPA Legislative Committee and Long Range Planning Task Force (2013 – present)
American Academy of Clinical Neuropsychology (AACN), Affiliate Member (2013 – present)
American Psychological Association (APA), Division 40 (2010 – 2015)
International Neuropsychological Society (INS) (2010 – 2015)
Sarah Jane Brain Foundation (SJBF), Medical Advisory Board (2012 – 2014)

Bibliography

Book Chapters

- Slickers, J.E., Hooper, S.R., Duquette, P.J., Jenkins, T.L., Ferris, M.E., & Gipson, D.S. (March 2005). *Neurocognitive function and duration of chronic kidney disease (CKD) in children*. Annual Meeting of the International Society for Dialysis, Tampa, FL.
- Gipson, D.S., Hooper, S.R., Wetherington, C.E., Duquette, P.J., & Stellwagen, K.K. (November 2003). *Memory functioning in chronic renal failure*. American Society of Nephrology, San Diego, CA.
- Duquette, P.J., & Dagenbach, D. (February 2003). *The Developmental Onset of Backward Inhibition in Elementary School Children*. North Carolina Cognition Conference, Durham, NC.
- Duquette, P.J. (April 2002). *The Developmental Onset of Backward Inhibition in Elementary School Children*. Defended honors thesis to faculty committee. Winston-Salem, NC.

Honors & Awards

- APA Division 54 Student Poster Award Recipient, 2005
Most Outstanding Pediatric Nephrology submission, International Society for Dialysis, 2005
Psi Chi National Psychology Honor Society, Wake Forest University, 2002
George Foster Hankins Merit Scholarship Recipient, Wake Forest University, 1998-2002

Reflective Statement

My professional interests as a pediatric neuropsychologist, broadly speaking, are to improve the quality of life, social, emotional, and behavioral outcomes of children with medical, genetic, and/or neurodevelopmental disorders. My prior clinical and research experiences have included better understanding the profile of executive functioning deficits in children with autism spectrum disorders, learning and attentional problems associated with neurofibromatosis type 1, and cognitive impairments associated with chronic kidney disease. I have also been involved with the evaluation and management of sports-related concussions at the youth, high school, and college levels. Finally, I am also interested in the intersection of healthcare reform and the field of neuropsychology as payment systems move from traditional fee-for-service to fee-for-value in the foreseeable future.

Peter Duquette, Ph.D.
Pediatric Neuropsychologist
Licensed Psychologist (NC #3865)
