

## **CURRICULUM VITAE**

**Thomas J. Harbin, Ph.D.**

### **Address**

P.O. Box 1827  
Pittsboro, NC 27312  
910-308-8377  
919-533-5325 FAX  
tharbin@harbinandassociates.com

### **Licensure**

Licensed in North Carolina: License #1530.

### **Affiliations**

North Carolina Psychological Association. Member of the Law and Psychology Committee.  
American Psychology – Law Society

### **Certification**

Member: National Academy of Neuropsychology  
Health Services Provider - Psychologist: North Carolina Psychology Board  
Member: National Register of Health Service Psychologists, #41367

### **Practice Specialties**

Neuropsychological and Psychological Evaluation

Forensic Evaluation including:

Over 300 felony criminal cases including 80+ capital murder cases, 60+ personal injury cases, 70+ cases of sexual assault, 16 federal criminal charges, 100 cases of child access & visitation, 30 independent medical examinations, 30+ fitness for duty, and 40+ cases of capacity to proceed to trial, and competence to manage affairs.

Lecturer & Special Student (retraining in clinical psychology), University of North Carolina - Greensboro, 1986-1989.

University of Florida. M.S. in Psychology, 1979, Ph.D. in Psychology, 1981.

University of Notre Dame. B.A. (with honors) in Psychology, 1976.

### **Professional Experience**

Private practice, 1989 to present.

Consulting psychologist, Randolph County (NC) Mental Health Center, 1990.

Clinical Psychology Intern (APA accredited), Durham Veterans Administration Medical Center, 1988 to 1989.

Psychological Intern, Durham County Community Mental Health Center, 1988.

Research Associate, Department of Psychiatry, Duke University, 1985 to 1986.

Research Associate, National Academy of Sciences and U.S. Environmental Protection Agency, 1983 to 1985.

Post-doctoral Fellow, Duke University Center for Aging and Human Development, 1981 to 1983.

Graduate Fellow, University of Florida Center for Gerontology, 1977 to 1981.

### **Other Activities**

Member, Board of Directors, Chatham County Council on Aging, 1993 to 1998. President of the Board, 1996 to 1998.

### **Continuing Education**

Advanced Rorschach Interpretation, John Exner, 1990. North Carolina Psychological Association.

Dialectical Behavior Therapy: A treatment of Borderline Personality Disorder, Marsha Linehan. October 4 & 5, 1991. North Carolina Psychological Association.

The Boston Process Approach to Neuropsychological Assessment. West Coast Neuropsychology Conference. University of California, San Diego, 1994.

Neuropsychology of Aging and Dementia. West Coast Neuropsychology Conference. University of California, San Diego, 1994.

Obsessive Compulsive Disorder - New Developments. Cape Fear Valley Medical Center, Fayetteville, NC, 1995.

Assessment of Behavioral Disorders. 21st Annual Course in Behavioral Neurology and

Neuropsychology. Florida Society of Neurology and Center for Neuropsychological Studies at the University of Florida, 1995.

Fundamentals of Practice in Forensic Psychology, Randy Borum. 1996. North Carolina Psychological Association.

Risk Management with Potentially Dangerous Patients. American Psychological Association, 1997.

Personal Injury Evaluations: Ethics, Case Law, and Practice. American Academy of Forensic Psychology, 1998.

Role of the Forensic Psychologist in Death Penalty Mitigation. American Academy of Forensic Psychology, 1998.

Advanced Forensic Psychology Practice: Issues and Application. American Academy of Forensic Psychology, 1999.

Treating patients with memories of abuse: Legal risk management. American Psychological Association, 1999.

The Crucible Approach: The Integration of Sex and Marital Therapy. David Schnarch, Ph.D. North Carolina Association for Marriage and Family Therapy, 2001.

Forensic Neuropsychology. Nelson Butters' West Coast Neuropsychology Conference. University of California, San Diego, 2002.

Assessing Risk in Domestic Violence with SARA, Orlando, 2003.

Assessing-Managing Violence risk with HCR-20, Orlando, 2003.

Assessing Psychopathy with PCL-R (2<sup>nd</sup> ed.), Orlando, 2003.

The Diagnosis, Assessment, and Treatment of Anger Disorders. North Carolina Psychological Association, 2004.

Avoiding Ethical and Legal Complaints. North Carolina Psychological Association, 2005.

Psychopharmacology Update: Depression, Anxiety, and Insomnia – Current Psychopharmacological Treatment Options. North Carolina Psychological Association, 2005.

Using the Personality Assessment Inventory (PAI) in Clinical Practice. North Carolina Psychological Association, 2005.

Advanced Forensic Psychology Practice: Issues and Application. American Academy of Forensic Psychology, 2006.

An Ethical-Legal Practice Check-Up: HIPAA, Red Flag Rule, Record-Keeping, Electronic Medical Records & More. North Carolina Psychological Association, 2010.

A Bad Beginning: the Neurobiology of Early Trauma. North Carolina Psychological Association, 2010.

Risk Assessment, Treatment, and Management of Sexual Offenders. Greensboro Area Health Education Center, 2011.

Psychopathy in the Courtroom: Current Controversies. American Academy of Forensic Psychology, 2012.

Violence Risk Assessment. American Academy of Forensic Psychology, 2012.

Malingering and Forensic Practice: Conceptual Issues and Clinical Methods. American Academy of Forensic Psychology, 2014.

Case Law Review: Competency to Stand Trial and Criminal Responsibility. American Academy of Forensic Psychology, 2014.

Legal and Ethical Risks and Risk Management in Professional Psychological Practice: Sequence VII. North Carolina Psychological Association, 2016.

Practice Checkup: A Re-Designed Course Including New HIPAA Requirements. North Carolina Psychological Association, 2016.

Overview, Revision, and Development of the HCR-20 Version 3. 2016.

Using the Personality Assessment Inventory (PAI) in Criminal and Correctional Evaluations. American Academy of Forensic Psychology, 2016.

Assessment of Mental State Defenses in Criminal Cases. American Academy of Forensic Psychology, 2016.
