

Substitute Testimony Case File Review and Results Authorization

Laboratory Case Number:	
Case Record Number:	

Case File Review and Authorization

	I have reviewed the case file and data generated from the examination of the evidence in this case record.
	Based on my review, I have formulated my own opinion on the results of the examination.
	I have reviewed the Laboratory Report previously generated for this case.
	My opinion on the results of examination are consistent with the results previously reported.
	Based on my review, I am re-authorizing the results.
